MEMORANDUM FOR: Assistant for Administration
THROUGH : Chief, Security Branch
SUBJECT : Request for Clearances for Mr. C.S. McCamy

1. A contract for a "Microdensitometer Calibration and Evaluation" has been awarded to the National Bureau of Standards with Mr. Calvin S. McCamy as the director of this project. Since it will be necessary to convey specific problems of a classified nature to Mr. McCamy concerning various films, emulsions and related data, clearances of TCR and SI are hereby requested.

2. A check with the Security Branch indicated that Mr. McCamy does not have any clearances. In order that questions can be answered concerning these classified data listed above and that this study can be satisfactorily completed, these minimum clearances are required.
